

## OUR YOUNG FOLKS.

## 'I'll Put it Off.

Some little folks are apt to say,  
When asked their task to touch.  
'I'll put it off, at least today;  
It cannot matter much.'  
Time is always on the wing;  
You cannot stop its flight;  
Then do at once your little tasks,  
You'll happier be tonight.  
But little duties still put off  
Will end in 'never done';  
And 'by and by is time enough'  
Has ruined many a one.—Sel.

DEAR EDITOR:—This is my first attempt to write for the Children's Column. I have two sisters older than myself. Pa, ma and my oldest sister belong to the Brethren church. My youngest sister is not at home now, so I have to wash the dishes and look for the eggs myself. Bro. Bashor is coming here this week, and he intends to preach for the Mexico church and other surrounding churches. I like to attend his meetings. I am 11 years old and they call me the baby. Ma gives me all the eggs I find of Sundays, and then I sell them and then I take the money for the College and for Missionary purposes. I will send ten cents for the College.

Yours with kindness,  
STELLA FLORA

Chilia, Ind.

DEAR EDITOR:—This is my first attempt to write for the Children's Column. I am 10 years old. My pa and ma belong to the Brethren church. My pa was sick this spring. He had lung fever. I have two brothers and one sister. Bro. Swihart is our preacher. We like him. We have Sunday School here now. I like to read the Children's letters. Let us all try and crowd out the advertisements on our page. I would like to see a whole page of letters. Mr. Hawl is our superintendent. I will send ten cents for Company E.

FANNIE E. ROGERS.

Red Bridge, Ind.

DEAR EDITOR:—This is my first attempt to write for the Children's Column. I am 9 years old. Our school has closed for summer. I attend Sabbath School. Aunt Sue is my teacher. We are going to have a concert next Sunday evening. I have two little sisters, Orpha and Della. Mamma belongs to the Brethren church. Our pastor's name is Samuel Phiels. We like him very much. I am now staying with my aunt Clara. I have been here about two weeks. I like to stay with her. I will ask a question: What was Timothy's grand mother's name? I will close by sending 10 cents for Company E.

## OUR DEAD.

BEERY.—Jonas Beery was born April 21, 1815, died June 22, 1889, aged 74 years, 2 months and one day. Funeral sermon by the undersigned, assisted by Rev. A. B. Witherby of the Baptist church. Text, 28 chapter and latter clause of first verse of Zach.

'Set thine house in order for thou shalt die and not live.' Bro. Beery joined the Dunkards early in his married life and continued therein until the division when he united with the Brethren church. His disease was slow consumption and has been a patient sufferer for two years or more. He was the father of eight children, three of which have preceded him to the spirit world. He leaves an aged widow and five children to mourn their loss.

## From Bro. Lyon.

Wilson P. O., Ohio, June 25.—Received of Bro. Josiah Keim, through sister Lucinda Stuckey's solicitations at S. S. Convention, \$3.50. Previously reported, \$10.60. Total to date, \$14.10. God bless you, dear sisters and all, who remembereth the poor.

W. S. LYON.

## Correction.

My article in No. 26, Vol. XI, June number of EVANGELIST, first page and 39 lines from top of last column should read, Bro. Cober preaches for them, and some of the Ocoya members, like some members in all churches, said some things concerning their minister in his absence. There must have been an omission of about two lines.

## Almena, Mich.

June 17th.—After meeting Sabbath morning we had the pleasure of going to the river and baptizing four more,—two young ladies and two young men. After services last evening we gave an invitation and one more came out on the Lord's side.

Others are very near the kingdom. May the good work go on at this place. Pray for us as we need the prayers of the church.

H. H. SNYDER.

## La Paz, Ind.

June 24.—On last Friday evening, Bro. Palmer organized a new class of ten members in the vicinity of North Liberty, Ind. At the close of the organization I urged them to take the church paper. The members are intelligent, persons of influence in that community. They have organized a Sabbath School.

Bro. Palmer preached yesterday at the Claybaugh school house, situated about two miles north-west of La Paz. It was his regular appointment. After services he lead five sisters into the liquid stream. A large concourse of people witnessed the ceremony. Consecration services were held in Bro. Hostetler's front yard. I think deep impressions were made upon the minds of those who witnessed the solemn ordinance.

On last night I attended Bro. Massena's meeting at the Buffalo school house, three miles east of this place. At the close of the sermon he gave an invitation, and one sister came out on the Lord's side. After meeting I talked with her husband who told me if the singing had continued a little longer he would have come out also. The sister is to be baptized one week from next Sunday, and he intends to be baptized also.

The members of the Buffalo class are wide-awake. They have two prayer meetings during the week, one in private houses and the other in the school house. These social meetings have their influence. They are the thermometer of the church.

## Deafness Can't be Cured

by local application, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucus lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucus surfaces.

We will give One Hundred Dollars for any one case of Deafness, (caused by catarrh) that we cannot cure by taking Hall's Catarrh Cure. Send for circulars, free.
